

Implement the wireframe design for the feeding section using HTML and style the page using CSS as follows:

- ◆ The page background should be the colour palegreen (#98FB98);
 - the top section should have the background colour lightyellow (#FFFFE0)
 - all other sections should have a background colour lightblue (#ADD8E6)
- ◆ The size of company logo is 648px by 136px;
 - all other images are sized 320px by 240px
- ◆ The font for all text should be Calibri and the colour darkblue (#00008B).
- ◆ The text size of the paragraphs should be size 14px.

Your teacher or lecturer will provide you with a folder containing the required files.
